

# *2017 is the Year of the Zinnia*

**Plant some Zinnias in your garden for stunning summer colour, butterflies galore and beautiful cut flowers for your home**

- Zinnia flowers look exotic and add a fabulous colour burst to the garden all summer.
- The flowers are a magnet for butterflies bringing your summer garden alive with movement and grace
- Grow Zinnias to add a real tang to your pots and containers and for masses of beautiful, colourful, on-trend cut flowers for your home.
- Decorate your outdoor space with window boxes and containers filled with these amazing plants.
- Give mature Zinnia plants to friends for birthdays and lunch parties.
