# Fleuroselect pick winners

Fleuroselect, the international organisation for the ornamental plant industry, has announced its six Gold Medal winners for 2008 and a late 2007 Gold Medal introduction namely Viola x Williamsiana F1 'Floral Power' Orange Red Wind bred by K. Sahin Zaden.

This year Kieft Seeds of Holland did very well providing three of this year's winners. Delphinium Consolida 'Sydney Light Blue', Monarda Hybrida 'Bergamo',

The Delphinium Consolida 'Sydney Light Blue' bred by Kieft Seeds.

Rudbeckia hirta 'Cappuccino' bred by Clause Tézier

and Lavandula Angustifolia 'Ellagance Purple' were all bred by Kieft Seeds Holland.

Other winners include Begonia Semperflorens 'Volumia Rose Bicolor' bred by Syngenta Seeds; also Rudbeckia hirta 'Cappuccino' bred by Clause Tézier and Salvia Farinacea 'Fairy Queen' bred by Ernst Benary Samenzucht.
